### NYS ELA Tests Notice of Dismissal

Dear Parent/Guardian,

Your child was opted-in to take the New York State ELA Exam.

Transportation will not be provided and families are expected to make the necessary arrangements for their child to be picked up on the date of the test. Students will remain at school for the duration of the test only and are not permitted to remain in the building once test administration concludes. After completing the test, students are expected to continue the remainder of the school day engaged in remote learning activities at home.

At the conclusion of test administration, your child will ONLY be released to a parent, legal guardian, or other person who is authorized to pick up your child. Please return the form below with your child on the day of the test.

Thank you for your cooperation.

Sincerely,

William S. Kirk  
Principal
