SHSAT Notice & Permission for Self-Dismissal

Your child is registered to take the Specialized High Schools Admissions Test (SHSAT) on January 27, 2021. This year, all registered DOE eighth graders will take the SHSAT at their middle school.

Transportation will not be provided and families are expected to make the necessary arrangements for their child to travel to and from school on the date of the test. Students will remain at school for the duration of the test only and are not permitted to remain in the building once test administration concludes. After completing the test, students are expected to continue the remainder of the school day engaged in remote learning activities at home.

At the conclusion of test administration, your child will be released to a parent, legal guardian, or other person who is authorized to pick up your child. **If you prefer for your child to travel home on their own and your child does not already self-dismiss from school**, please fill out the bottom portion of this letter (Optional Permission for Self-Dismissal) and return by email to AP Chris Cuthill at ccuthill@schools.nyc.gov or send with your child on the date of the test.

Thank you for your cooperation.

Sincerely,

William S. Kirk
Principal
